- The company was incorporated in 2009 with roots dating back to the 1920's
- 13 employees
- Turnover in excess of £3m per annum (2018/19 audited accounts)
- Trades from Leasehold premises

Services Provided

- ISO 9001 approved Quality Management System
- Supplying national and international customers
- Round, hex, square and custom product profiles in metric and imperial sizes
- Range of material specifications supplied
- Stocks of common sizes held for prompt turnaround

Opportunity

- Goodwill
- Customer Contacts
- Skilled workforce
- Office & IT equipment
- Stock
- Certain plant items
- Website, domain and telephone numbers

Offers

- Offers and proof of funding sought by 3.00pm 18th February 2021.
- All interested parties will be required to sign a non-disclosure agreement
